

Dizkis Nursery Songs

The More We Do Together

The more we get together,
Together, together,
The more we get together
The happier we'll be.
For your friends are my friends
And my friends are your friends,
The more we get together
The happier we'll be.

The more we do together,
Together, together,
The more we do together
The happier we'll be.
For your friends are my friends
And my friends are your friends,
The more we do together
The happier we'll be.
